

**2D-38 (Pilot Mountain) State Park (M30-10), (10) Mi.
(M30-11)**

The M30-10 and M30-11 signs make up an assembly leading to the entrances of State parks. The M30-11 sign (10 MI or 5 MI) should be posted immediately beneath and on the same post(s) with the M30-10 sign. The assemblies should be placed along the park approaches at 5 mile intervals, not to exceed 10 miles.

At the park entrance, an appropriate arrow sign (D11-3) may be substituted for the M30-11 sign.

Reflectorization is not required.
